

# ENERGY SPARK

## HOME LOAN

Welcome to the newest—and greenest—home-loan program from the **Washington State Housing Finance Commission**.

EnergySpark is designed to work hand-in-hand with our **Home Advantage** loan and downpayment assistance. Homebuyers who may qualify:

- Household income under \$97,000
- Credit score at least 620
- Purchasing either:
  1. A new home that exceeds Washington state energy standards by at least 15%, **OR**
  2. An older home that can be upgraded for 10% energy savings over its current use.

An energy assessment shows the most cost-effective upgrades for the home, and **EnergySpark** helps finance the work!
