The Family Independence Initiative

innovates new approaches for social and economic mobility using age old strengths of self-determination, mutuality, and choice.

eLearning

Get up to speed fast -- when and where it's convenient for you.

Our eLearning course offerings enable you to stay close to your work while gaining valuable knowledge, skills and downloadable tools and resources. You can take advantage of this user-friendly professional development opportunity whenever it fits into your busy schedule, and wherever you can connect to the Internet. And you'll save your valuable travel dollars and time away from the office.

We offer a wide — and growing — range of computer-based courses that provide a comprehensive overview of the latest issues and challenges in community development, affordable housing and nonprofit leadership. Courses currently cover these subject matter areas (click links for a listing of specific courses):

- ▶ [Affordable housing](#)
- ▶ [Nonprofit management and leadership](#)
- ▶ [Community economic development](#)
- ▶ [Community stabilization and revitalization](#)
- ▶ [Construction and rehab/green building](#)
- ▶ [Financial capability, housing counseling and education](#)
- ▶ [Multifamily property asset management](#)

These courses, which cost only \$195, take approximately 2-4 hours of actual online time to complete, and you have 60 days following registration to manage the time. You'll walk away with real skills and the continuing education credit to
