

**QUALIFIED CENSUS TRACTS AND DIFFICULT DEVELOPMENT AREAS
(Effective January 1, 2015)**

Please Note: Some of the Counties will no longer be designated as Difficult Development Areas in 2015, as well as some QCT's. If a project is located in one of these counties, or a QCT is no longer available, a complete application for that project must be received by the Commission no later than December 30, 2014 in order for the project to be eligible for the QCT/DDA basis boost in 2015.
