I hereby authorize the servicer to release certain information related to the servicer's own experience with me to such third-party counseling organization or mortgage insurer, and request that the counseling party contact me.

I further hereby authorize the third-party counseling organization or mortgage insurer to make a recommendation about appropriate action to take with regard to my mortgage loan, which may assist the servicer in determining whether to restructure my loan or to offer other extraordinary services that could preserve my long-term homeownership.
