The Washington State Housing Finance Commission (WSHFC) is currently recruiting for a full-time, permanent **Portfolio Analyst** position in the Asset Management & Compliance Division.

The Asset Management & Compliance Division monitors properties financed with low-income housing tax credits, tax-exempt bonds and other public funding. By working together with its partners, the Division ensures the long-term viability of affordable housing and ensures that federal laws and Commission Regulatory Agreements are followed. To achieve these objectives, the Asset Management and Compliance division employs a training, education, and technical assistance approach with owner and property manager partners.

The duty station for this position is Seattle, WA. The work associated with this position will be performed through a combination of teleworking and complemented with onsite work and meetings as needed. Employees must reside in Washington state and within a reasonable distance of our worksite to respond to workplace reporting requirements.

Who we are:

The Commission is a market-driven and self-supporting state commission created to provide below-market rate financing for building, purchase and preservation of affordable housing, and non-profit capital facilities, and community services. To achieve its goals, the Commission functions as a financing conduit for developers, lenders, first-time home buyers, real estate professionals, beginning farmers and ranchers, and non-profit organizations to provide affordable financing for homes, rental housing, and cultural and social services facilities. Commission financing does not utilize or impact the state's credit.

We believe that creating a diverse, inclusive, and equitable environment is important and vital to the success of the Commission. We believe in working together to create an environment free from

harassment and discrimination and moving beyond simple tolerance to embracing and celebrating the rich dimensions of diversity contained within each individual.

Primary Duties and Responsibilities

- Manage an individual portfolio of 150+ rental housing properties consisting of 13,000+ affordable multifamily rental housing units (portfolio size may change based on business needs).
- Review and audit annual, quarterly, or other periodic reports and resident eligibility documentation for all properties in portfolio.
- Conduct performance analysis of the portfolio to assist with trend analysis and data-driven decisions.
- Manage the integrity and consistency of financial reporting through review, analysis, and evaluation of audited financial statements and other financial reporting to ensure that properties are viable long term and meet regulatory compliance.
- Ensure project operations follow the restrictive documentation agreed to at closing in accordance with State and Federal regulations.
- Analyze results of on-site inspections of properties in portfolio every year, recording non-compliance issues and resolving deficiencies as needed.
- Prepare, update and present online and in-person tax credit and bond compliance workshops (in-person training may be presented in different places around the state).
- Collaborate with and assist other public funders, property managers, owners and other Commission staff as needed to meet individual and division-wide goals.
- Actively participate in racial equity and strategic planning goals to achieve both division and agency-wide diversity, equity, and inclusion objectives.
- Complete special projects as assigned by management.
