

King County Bond/Tax Credit Pre-Allocation Process

Local Funders Make Commitments First

For King County developments seeking Bond Cap allocations beginning in 2024, the Commission introduced a new process to improve coordination and provide a more predictable process for applicants with developments in the public funders' pipelines.

In King County, Bond/Tax Credit developments are required to have all necessary local funding commitments in place prior to applying to the Commission. The Commission and the public funders agreed to share an allocation framework to prioritize public investment to ensure developments can move towards readiness with limited resources.

The Commission invites applicants on the tiered "Invitation to Apply" list to apply once their project is fully funded and has reached a sufficient level of readiness to proceed quickly to closing.

2025 Invitation to Apply List – Updated February 13, 2025

Only developments that are fully funded will be invited to apply by the Commission as they approach their closing date.

Tier designations on this list will be reevaluated later this year, and if a development in the Pipeline becomes fully funded and is able to close it could be moved up if bond cap is available.

Pipeline List – Updated February 13, 2025

These developments are at various points in their development and have received funding from some of the public funders but they are not yet fully funded and ready to close. Their progress depends on securing additional funding and receiving local approvals. Depending on the timing of local approvals and finding ways to become fully funded, it is possible that some of these developments could move into a Tier during the year.
