Application Submission Instructions

Our Bond/4% Tax Credit Application submission form is live! Please navigate to the submission form linked [here](#) and fill in your project name, address and sponsor information. Upload your application files and hit “Submit” to submit your final application. You will receive a confirmation email upon receipt.

A single zipped project folder is recommended for a streamlined file upload experience, but you may choose to upload individual files as well. Please contact Sojung.Choi@wshfc.org with any application submission related questions!

As a reminder, we strongly prefer you remit your application fee via ACH or wire. Please email Shukri.Rodol@wshfc.org for instructions on how to remit your application fee.

Thank you!
