

Get a boost to homeownership

with the Covenant Homeownership Program

Deep roots in Washington State?

You could be eligible for a new program providing up to 20% down on a modest-priced home.

This program may be for you if:

- You or a parent/grandparent lived in Washington state before 1968
- That person is Black, Hispanic, Indigenous, Pacific Islander, Korean, or Asian Indian
- Your income is at/below median income in your county
- You are a first-time homebuyer, have not owned a home in three years, or have only owned a home in certain circumstances (call for more info)
